FOR CONGRESS.

We are authorized to announce JAMES P. HARBESON, of Fleming county, as a candidate for Congress, subject to the action of the Democracy in convention assembled.

We are authorized to announce Col. J. SMITH HURT, of Bath County, as a candidate for Congress in the 9th Congressional District at the next November election. Subject to the action of the democratic party.

The neat and graceful manner in which Mr. James Hendrixson withdraws his name as a candidate for jailer, will attract attention, and gladden the heart of every true democrat in the county. Mr. Hendrixson commends himself to the regard and good will of all patriots who wish well for the great cause of democracy and desire the perpetuation of honest government.

The Democrats of Georgia have nominated the Hon. Alexander H. Stephens as their candidate for Governor.

The continued rains in Ireland have caused such injury to the crops that another crisis is threatened on that account. The present crop promised to be one of the finest ever harvested in Ireland.

The republicans will probably adopt Guiteau's gallows poem for a campaign song. If set to music it could be made very effective. The first verse reads:

"I am going to the Lord,
I am going to the Lord,
I am going to the Lord,
Glory Hallelujah."

COLONEL "TUG" WILSON, of England, appears to be a bigger man, in the estimation of muscular society, than the aesthetic Mr. Sullivan, of Boston. The Colonel has by one fell stroke supplanted Mr. Sullivan as a lion in New York circles. New York society is fickle.

A big crop is assured in Iowa. The best fields of winter wheat will run thirty to thirty-five bushels per acre. Spring wheat is hardly so good, but is above the average. Cutting will begin a week hence. The yield will be seventeen to twenty bushels per acre.

The action of the Senate in placing the tax on tobacco at twelve cents is very unsatisfactory to the tobacco men at Washington. It was their wish that it should have been left at sixteen cents or reduced to eight. The proper thing to have been done was to abolish it entirely.
